## POCKET SPRUNG FOAM SEAT CUSHIONS

A layer of pocket springs encased with foam & polyester wadding offers a comfortable and supportive sit whilst maintaining its shape.

## CARE GUIDE

Fixed seats and backs offer low maintenance care. See care guide for further details.

## TEMPESTO

Tempesto is an exclusive corrected grain leather combining the durability of a robust quality hide and the unmistakable feel of a quality leather. The hide undergoes a controlled abrasion process using a buffing machine, followed by a specialised coating and the application of decorative patterns to enhance its surface. This method effectively addresses imperfections, resulting in a soft, supple texture with a luxurious, silky finish. The thin coating preserves the authentic leather appearance, ensuring optimal breathability and a comfortable seating experience.
